

Northern California Society for Microscopy

Membership signup and feedback Form

This membership is through December 31, 2020

The purpose of the Northern California Society for Microscopy (NCSM) is to increase, to disseminate, and to promote interchange of knowledge of microscopy and its applications. NCSM will facilitate this through membership meetings, workshops, and social networking. The NCSM is a sanctioned, local affiliate society (LAS) of the Microscopy Society of America, a tax exempt public charity under IRC Section 501(c)(3), and is an unincorporated California Non-profit Association.

Annual dues for regular members are **\$40**; retired members, **\$20**; students, [free](#); and a sustaining membership (includes two persons) is **\$100**, payable to **NCSM**. Dues are for the calendar year and are due January 1.

Please mail dues to:

NCSM c/o Mike Kundmann
2182 Foxswallow Road
Pleasanton, CA 94566
